How to use

Bio

Professor of Finance at the Stern School of Business at New York University, I teach the corporate finance and valuation courses in the MBA program as well as occasional short-term classes around the world on both topics. My research interests lie in valuation, portfolio management and applied corporate finance. My papers have been published in many famous financial journals.

Models & methodologies on this site have been shared and published with my authorization and come from my site below.

Prof. Aswath Damodaran
